following:

(1) For CLIN(S) described by a Military or Federal specification or purchase description contractor must present evidence showing compliance with all contract and specification requirements including preparation for delivery.

(2) For CLIN(S) described by manufacturer's name/code and part number,

(i) Contractor must present evidence of performance of all quality assurance requirements specified in the contract and assure that item will serve its intended purpose by performing examinations and tests to determine (A) completeness of item, (B) absence of rust, contamination, or deterioration, (C) correct identification, (D) absence of any damage, and (E) compliance with preparation for delivery. If the contractor is not the manufacturer of the supplies, evidence must be furnished to establish that the supplies were produced by the manufacturer.

(ii) The word 'manufacturer' means the actual manufacturer of each CLIN. The QAR may require that evidence be furnished establishing the name and address of the plant that manufactures each CLIN to assure that a domestic product is being supplied.

(3) For CLIN(S) designated as Former Government Surplus (whether described by manufacturer's name/code and part number, or by Military or Federal specification or drawing); the original package markings of each item shall be verified to previous Government contract number and part number (as specified in DLAD Clause 52.211-9000, Section I of the award). Any deviation from this number shall be cause for rejection of the item.

Note: Additional inspection requirements may be required, based on the evaluation of the surplus offer, by the procuring activity. Such additional requirements, if necessary, will be identified before the award.

E04 - ACCEPTANCE AT ORIGIN (DSCC 52.246-9C02) (NOV 1995)

Acceptance will be performed by an authorized Government Representative at origin. The point of acceptance will be the point of last inspection before shipment unless otherwise indicated by the offeror.

NOTE: For contracts awarded on F.O.B. Destination basis, contractor must comply with FAR 52.247-48, FOB Destination - Evidence of Shipment, in order for payment to be made prior to receipt of the supplies at destination. Contracts for commercial items awarded under Part 12 procedures must be in accordance with the requirements of 52.212-5.

E21 - WARRANTY - ACCEPTANCE OF SUPPLIES (DSCC 52.246-9C10) (FEB 2003)

This clause is applicable when surplus materials are accepted (DLAD 52.211-9000), when a Certificate of Conformance (FAR 52.246-15) supports or forms the basis for acceptance of supplies at origin by the Government, or when acceptance is performed by the Government at destination.

(a) The contractor warrants for a period of one year that the supplies at time of delivery conform to all contract requirements. If this warranty is breached, the Government at its option may (1) reject the supplies and require refund of contract price; or (2) require contractor at its expense to repair or replace the supplies; or (3) repair or correct the supplies and charge the contractor for the costs incurred; or (4) retain the supplies and require an equitable adjustment in the contract price. The Government shall mail or otherwise furnish notice to the contractor of the breach of this warranty within one year after date of delivery, inform the contractor of the option exercised, and require the contractor to take action accordingly. Any disputes as to the breach of this warranty shall be resolved under the Disputes clause of the contract.

(b) The contractor shall mark warranty items as required by paragraph 5.2.7, MIL-STD-129(n), 'Standard Practice for Military Marking'.

(c) The rights hereby provided the Government shall not be affected by other clauses concerning the conclusiveness of inspection and acceptance and are in addition to and do not limit any rights of the Government under other clauses of this contract.

DATE CREATED: 9/3/03**GOVERNMENT SURPLUS MATERIAL (APR 2002) - DLAN**
(Previous versions of the clause are considered obsolete.)

(a) Definition.

"Surplus material," as used in this clause, means now, unused material that was purchased and accepted by the U.S. Government and subsequently sold by the Defense Reutilization and Marketing Service (DRMS), by contractors authorized by DRMS, or through another Federal Government surplus program. The terms "Surplus" and "government surplus" are used interchangeably in this clause.

The Offeror agrees to complete this clause and provide supporting documentation as necessary to demonstrate that the surplus material being offered was previously owned by the Government and meets solicitation requirements. The Offeror must provide this information and any supporting documentation on or before the date that quotes/offers are due; or within the timeframe specified by the Contracting Officer, if additional documentation is requested after submission of the offer. Failure to provide the requested information and supporting documentation within the timeframe requested may result in rejection of the offer. Unless the solicitation states otherwise, Offerors of surplus material are authorized to open packages, inspect material, and reseal packages. Each time this is done, the Offeror's authorized representative or inspector must sign the packages where they were resealed and annotate the date of inspection.

With respect to the surplus material being offered, the Offeror represents that:

When none of the above are available, other information to demonstrate that the offered material was previously owned by the Government. Describe and/or attach:

(f) This clause only applies to offers of Government surplus material. Offers of commercial surplus, manufacturer's overruns, residual inventory resulting from terminated Government contracts, and any other material that meets the technical requirements in the solicitation but was not previously owned by the Government will be evaluated in accordance with the provision at 52.217-9002.

(g) Offers of critical safety items must comply with the additional requirements in 52.211-9005.

(h) If requested by the Contracting Officer, the Offeror shall furnish sample units, in the number specified, to the Contracting Officer or to another location specified by the Contracting Officer, within 10 days after the Contracting Officer's request. The samples will be furnished at no cost to the Government. All such samples not destroyed in evaluation will be returned at the Offeror's expense. The samples will be evaluated for form, fit, and function with subassembly, assembly, or equipment with which the items are to be used. End items furnished under any contract award to the Offeror furnishing the samples can include the return samples, and all acceptable end items will have a configuration identical to the samples. If specific tests of the samples' performance are made by the Government, the Offeror will be furnished the results of such tests prior to a contract being entered into. In addition to any other inspection examinations and tests required by the contract, the performance of the end items will be required to be as good as that of the sample submitted insofar as specific performance tests have been made by the Government and the results thereof furnished to the Offeror.

(i) In the event of award, the Contractor will be responsible for providing material that is in full

compliance with all requirements in the contract or order, whether or not the Contractor has possession of applicable drawings or specifications, and despite the fact that the Government is unable to conduct in-process inspection. The Contractor's responsibility to perform is not diminished by compliance with the requirement to demonstrate that the offered material was previously owned by the Government. The material to be furnished must meet the requirements of the current contract or order, whether or not the material met Government requirements in existence at the time the material was initially manufactured or sold to the Government. The Government has the right to cancel any resulting purchase or terminate any resulting contract for default if unacceptable material is tendered.

(j) If higher level quality requirements apply to the material being acquired, those requirements do not apply to surplus material furnished under this contract.
